- Work will be replacement, or repair of interior and/or outer shell (siding, roofing, windows) of an existing 1 family dwelling. However, no alteration will cause structural or egress change.
- Work will be construction, replacement, or repair of a private (residential) detached carport, garage, greenhouse, or shed (circle one). The structure must be accessory to a 1 family dwelling and have a footprint of less than 1000 sq. ft
- Work will be construction, replacement, or repair of a sidewalk or driveway 30" or less above grade.
- Work will be construction, replacement, or repair of a fence that is no more than 6 feet high.
- Work will be construction, replacement, or repair of a retaining wall that is not over 4 feet in height measured from the lowest grade to the top of the wall unless the wall supports a surcharge.
- Work will be construction, replacement, or repair of a prefabricated swimming pool that is accessory to a 1 family dwelling and is less than 24" high.
- Work will be construction, replacement, or repair of swings and other playground equipment that is accessory to a 1 family dwelling.
- Work will be construction, replacement, or repair of a porch, deck, or stoop that is accessory to a 1 family dwelling, is no more than 30" high (above grade) and does not structurally support a roof.
- Work will be construction, replacement, or repair of an agricultural building.

Definition of Agricultural Building: A structure utilized to store farm implements, hay, feed, grain or other horticultural products or to house poultry, livestock or other farm animals, or milk-houses.

The term "Agricultural Building" shall not include habitable space or spaces in which agricultural products are processed, treated or packaged and shall not be construed to mean a place of occupancy by the general public.

If you have checked any of the above, your project does not require inspection under Act 45 (PA uniform Construction Code). Please keep in mind that any false representation of the work being undertaken may be considered a summary offense and, upon conviction, you may be sentenced to pay a fine of not more than \$1000 and costs. Each day that a violation of this act continues shall be considered a separate violation.

I have read and understand all the above information.

MUDDY CREEK TOWNSHIP Small Project Stormwater Management Application

Per the Muddy Creek Township Stormwater Management Ordinance, an Applicant is required to submit this Small Project Application whenever Regulated Activities involving the creation of new impervious surfaces equal to, or greater than 2,500 square feet and less than 5,000 square feet. Impervious surfaces are areas that prevent the infiltration of water into the ground and shall include, but not be limited to, roofs, patios, garages, storage sheds and similar structures, and any new streets or sidewalks.

To Calculate Impervious Surfaces Please Complete This Table					
Surface Type	Length (feet)	X	Width (feet)	=	Proposed Impervious Area
Building (area per downspout)		X		=	
		X		=	
		X		=	
		X		=	
Driveway		X		=

Other		X		=	
		X		=	
		X		=	
Total Impervious Surface Area to be managed (sum of all areas)					

For all Regulated Activities that involve creation of new impervious surface areas EQUAL TO or GREATER than 5,000 square feet, the Applicant MUST submit a Stormwater Management Site Plan and Report as defined in Article VIII of the Ordinance and implement volume and rate controls.

If the Total Impervious Surface Area is LESS THAN 5,000 square feet, or the proposed development is a Single Family Residential Activity implementing the minimum measures in Section 302.E, read, acknowledge and sign below.

Based upon information you have provided, a Stormwater Management Site Plan and Report **IS NOT** required for this Regulated Activity. Muddy Creek Township may request additional information and/or a SWM Site Plan for any reason.

Applicant or Property Owner certifies that Sections 302.A., 302.B., and 302.C. have been adequately addressed and acknowledges that submission of inaccurate information may result in a stop work order or permit revocation. Acknowledgement of such is by signature below. I declare that I am the Owner or Owner's legal representative. I further acknowledge that the information provided is accurate and employees of Muddy Creek Township are granted access to the above described property for review and inspection as they deem necessary.
