PennDOT Announces Plans Display for Portersville Bridge, SR 488 in Portersville Borough and Muddy Creek Township, Butler County

Butler, PA– The Pennsylvania Department of Transportation (PennDOT) invites the public to view plans regarding the Portersville Bridge project on Monday, December 7, 2020.

This bridge carries State Route 488, East Portersville Road, over I-79 in Portersville Borough and Muddy Creek Township, Butler County. It will be constructed in phases providing maintenance of two lanes of traffic, one each direction, throughout construction. The Park-n-Ride parking lot will remain open and access will be maintained for the riders of the New Castle Area Transit. Construction is scheduled to begin in 2022.

In accordance with Governor Wolf's COVID-19 mitigation efforts, the plans display will be held online only.

The purpose of the plans display for this bridge replacement project is to share preliminary information on the project's status, schedule, design and right-of-way acquisition. PennDOT representatives along with design consultants will be available to answer questions.
